

OWNER OPERATOR - LEASING INFORMATION

We pride ourselves in maintaining a small company atmosphere. Our owner operators are a critical part of our operation. We understand and respect each owner operator's operation. We strive to provide the best working conditions and a top compensation program.

Compensation programs

As a contractor of Ameri-Co Carriers you have a choice in your compensation plan.

ALL CONTRACTS

Fuel service charge is based on National Average diesel price and at 5.7 mpg schedule. Fuel surcharge will be paid on all empty and loaded dispatched miles. This is in addition to linehaul compensation below.
