

WHO: GREGORY PLUTKO - RESEARCH ASSOCIATE

Gregory Plutko is the Research and Development Associate for the Drilling Products division of CETCO based in Hoffman Estates, IL. He has more than 15 years of experience in formulating, troubleshooting, and testing drilling products. He has developed or reformulated many of CETCO's sundry products and is responsible for testing of all customer samples. Additionally, he has helped create new drilling-products and testing procedures for many of Minerals Technologies Inc foreign plants including China, Korea, Poland, England, and Australia.

Greg's expertise lies in aqueous rheology modification, phyllosilicate-mineralogy, and colloidal systems. He has delivered drilling-related seminars at CETCO Mud-Schools and provides educational/support services to our customers. He graduated from Knox College in Galesburg, IL where he studied environmental science, sociology, and anthropology. Greg currently lives in the Chicago-land area with his wife and and two children.
