

WHO: TOM TOBIN - VICE PRESIDENT, TOBIN & ASSOCIATES

AUTHORIZED MANUFACTURERS REPRESENTATIVE FOR THE DRILLING PRODUCTS DIVISION OF CETCO

Tobin & Associates has been in business for over 27 years, serving the wholesale waterwell, septic, geothermal, and irrigation markets in the greater Midwest. Located 45 minutes Northwest of downtown Chicago, our office operates out of Huntley, IL and is also home to our water treatment company. We are active members in the Wisconsin, Minnesota, Illinois, and Iowa waterwell and onsite associations.

Bill Tobin founded the agency in 1990 after being in the sales and management field with several waterwell manufacturers for most of his professional life. He came into that industry after serving in the U.S. Navy, shortly after his graduation from Northwestern University.

Tom Tobin joined his father in 1992. He is a 1990 graduate of Indiana University. After an internship that led to a full-time position at Motorola, he left that world, wanting to join his father to help grow the family business. Since that time, Tobin & Associates has expanded in both products represented as well as territory serviced.

Our goal is to provide the best service and support, so all our customers can grow and prosper with the companies and products we proudly represent.
