To Our Customers:

Re: Conflict Minerals (3TG)

Specialty Minerals Inc.' s Ground Calcium Carbonate (GCC) and Precipitated Calcium Carbonate (PCC) products are manufactured from limestone quarried from our site in Adams, Massachusetts or other proprietary locations. These products DO NOT contain any of the "Conflict Minerals" as defined in U.S. law H.R. 4173, the Wall Street Reform and Consumer Protection Act, section 1502.

If you have any additional questions, please feel free to contact me at 413-662-9968.

Sincerely,

Parvin Golbayani
