To Our Customers:

Re: Conflict Minerals

Ground Calcium Carbonate (GCC) products are manufactured from limestone quarried on our site in Lucerne Valley, CA and are packaged at the Lucerne Valley, CA facility. They do not contain "Conflict Minerals" as defined in U.S. law H.R. 4173, the Wall Street Reform and Consumer Protection Act, section 1502.

If you have any additional questions, please feel free to contact me at 413-662-9968.

Sincerely,

Howard C. Vogel
